

Norfolk County Council

Common Application Form for Secondary School in September 2022

You can apply on line at www.admissionsonline.norfolk.gov.uk If you have already applied on line, please do not submit this application form.

Please read the following information before completing this form.

You are entitled to make three preferences. Admission authorities cannot reserve places at any school. Not all schools have a defined catchment area and not all schools give priority to children living in a catchment area.

You can obtain details of the catchment school for your address at www.whereilive.norfolk.gov.uk and you are encouraged to read the admission rules, Parent's Guide to admissions to schools in Norfolk 2022/23 and find schools in your area before you complete this form.

You can also obtain additional information on our website at www.norfolk.gov.uk/admissions

We are required to co-ordinate admission applications to ensure that if more than one of your preferences can be met you will only be offered the higher ranked preference. We will consider the first school named on the application form as your highest ranked preference.

Specialist and Faith Places - Some schools offer limited Specialist or faith places. If you are applying for admission to a school on these grounds you need to check with the Headteacher what is required to support your application. You must ensure that any information required is made available direct to the school before the closing date (31st October 2021). You must also ensure that your child is able to undertake auditions and tests. Information is available in individual school brochures and websites. A specialist place counts as one of your preferences. If your child does not meet the specialist criterion, he/she will still be considered for a place against other published admission rules for the School.

Children of Staff at the School - Some schools give priority to children of staff and you should refer to the admissions policy for the school(s) you are applying for to determine the priority of your application. You need to provide confirmation of your employment at the school with this application if you are seeking a place on this basis.

Late applications: If your preference form arrives after the closing date it will be given a lower priority than all preferences received by the closing date. If you send your preference form in after the closing date, please attach a note explaining why your application is late.

IMPORTANT: Transport is only provided to your nearest or nearest catchment school subject to distance.

The completed form must be returned to Norfolk County Council, Admissions Section, County Hall, Norwich, NR1 2DL no later than 31st October 2021.

Common Application Form for Secondary School in September 2022
