14 January 2021

Dear families

I hope you are all well.

Thank you for your support this term and as we continue to review and measure our remote offer, I'd like to make you aware of the following amendments;

### Engagement

In order to plan effectively and provide accurate and helpful feedback, we monitor the engagement of our pupils each day. It is of paramount importance that each child engages with their lessons.

Some lessons from next week (English and maths) will be live and I invite you to view our [remote learning guide for parents](#) in the remote learning section of our [website](#).

### Form time

This Friday, we would like to have a 'google meet' virtual form time during your child's usual form period at 3pm.

The purpose is to provide a much needed 'face to face' catch up with their form tutor and peers. The form tutor will be on hand during this period to offer any advice or support. From next week (beginning on Monday 18th January), every form time (from 3pm) will allow for greater engagement as follows;

**Monday:** Whole school pre-recorded assembly

**Tuesday:** Live form time catch up

**Wednesday:** Reading activity to be completed independently

**Thursday:** Personal Development with form tutor

**Friday:** Live form time catch up

Instructions on how to join these live sessions will be emailed to pupils and appropriate use will be explained to all. As ever, If you have any queries, do contact us on [ca-office@inspirationtrust.org](mailto:ca-office@inspirationtrust.org).

Best wishes

D.Hollingsworth  
Principal
